Forecast for Saturday 20 Aug 2022

Weather: Becoming cloudy overnight with outbreaks of heavy rain. The heavy rain with summit gales will soon clear with drier and brighter conditions developing through the morning with just a scattering of showers. The showers becoming heavier and more widespread through the afternoon and evening.

Chance of cloud-free hill tops above 800m: 20% early morning becoming 60% by afternoon.

Low cloud and visibility: Extensive cloud, base 600 to 900m early morning, soon lifting and breaking near or above the summits, but lowering significantly in showers. The visibility moderate or poor in early heavy rain and very poor at height. Becoming mainly very good or excellent, but falling moderate or poor in showers.
